Mail Stop Amendment
Commissioner for Patents
U.S. Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Applicant filed an Amendment in response to the Office Action mailed September 6, 2006. The Examiner responded with the Office Action mailed October 12, 2006 in which the Examiner indicated the Amendment was not fully responsive to the initial Office Action for the reason that the Applicant did not specify, citing exact claim recitations, how the amended claims in the Amendment define over the art applied in the initial Office Action. The Examiner set a one month period for supplying this omission (i.e., until November 13, 2006.)

This current Amendment (mailed November 13, 2006) is in response to both Office Actions. This current Amendment contains the same amendments set forth in the initial Amendment (mailed September 25, 2006) and contains revised Remarks addressing the Examiner's concerns set forth in the later Office Action mailed October 12, 2006.

In response to the Office Actions, please amend this application as follows:
